STUDIO DIVANI

MODERN TIMES

STUDIO DIVANI represents a sofa collection which combines Italian design and premium quality with individual production – at a really favourable price. The STUDIO DIVANI workshops are located in the most attractive area of Tuscany. Here we rely on 100% traditional craftsmanship, using exclusively leather and textiles produced in Italy and deliver the sofas to Germany direct, without middle men or storage.

This provides KARE+ with real exclusivity: we make individual taste affordable.

For Jürgen Reiter and Peter Schönhofen sofas can be anything – as long as they aren't expensive.
